

Telford College

Value	£3.8m
Programme	18 months
Client	Edinburgh's Telford College
Principal Contractor	ISG – Interior Exterior Group

Edinburgh's Telford College's new flagship, purpose-built campus will cater for over 20,000 students and nearly 600 staff and will bring the latest developments in teaching and educational technology to the heart of the community of North Edinburgh which it has served since 1968.

Incorporating state of the art teaching facilities with vocational training classrooms and feature theatres Rolland was involved from the design stage and performed a value engineering appraisal to assist in driving costs down.

Involved with drylining, fire stopping, ames taping and decoration this new build project consisted of 6 blocks including 4 feature atriums with complex detail plus very high acoustic specifications.
